To whom this may concern,

This letter serves as confirmation that the IDF North American Desk was contacted by Tamir Eltermen and David Alexander on August 14th, 2006, in order to assist in the production of "Guarding the Land".

Although details have not yet been finalized, the IDF will do its best in order to facilitate the production of the documentary.

Best regards,

Capt. Noa Meir

Head of the North American Desk
